Sir:

This communication is responsive to the Office Action dated October 15, 2002, concerning the above-referenced patent application.

Please amend the application as follows:

In the Drawings:

Please amend the drawings as indicated in the attached amended drawings. A separate transmittal of proposed drawing changes is submitted herewith.

In the Specification:

Please amend the specification by replacing the following numbered paragraphs with the amended versions provided below. In accordance with 37 C.F.R. 1.121, attached is a version of paragraphs [0035] and [0047] showing the changes made. For paragraphs [0020] through [0023], the changes made consisted of removing underlines from certain words, therefore no marked up version is required (since changes would be indicated by underlining). No new matter has been added by these amendments.
